FAQs:

What if I ordered a yearbook and my child has not come home with it?

First, double-check your email account for a confirmation email from Jostens, dated AFTER November 2017. If you are certain you ordered one and your child does not come home with a yearbook, please check with your child's teacher to confirm that the yearbooks were handed out. Some teachers wait a few days before distributing the yearbooks. Also, if you bought one book and have more than one child attending Kiker, you may have indicated on your order that the yearbook be delivered to the sibling's homeroom. Please check with that teacher, as well.

What if I can't remember whether I ordered a yearbook?

The yearbooks were sold online through the Jostens website. If you ordered a yearbook, you would have received a confirmation email from Jostens, so PLEASE run a search of your email for a confirmation for THIS school year (2017-2018, dated after November 2017) before you contact the Kiker Yearbook Coordinator.

What if I accidentally ordered an extra yearbook?

If you ordered more yearbooks than you need, you may sell the extra(s) to another family looking for a yearbook. While you may let your teacher know you have an extra for sale, please do not ask your teacher to broker a sale for you. Send an email to the other parents in your class. You will most certainly find a buyer among them. Kiker cannot buy back extra yearbooks. Yearbooks also make great end of year gifts for teachers.

Will there be any extra yearbooks for sale?

If you did not order a yearbook, there will be a limited number of overprint yearbooks available for purchase, **\$40 cash ONLY**, beginning at 3:00pm, **Wednesday, May 23** at a table located outside by the front doors of the school.

My yearbook was delivered in damaged condition or is a misprint.

If your yearbook is damaged or is a misprint, it may be exchanged for a new yearbook, provided it has **NOT** been written in or otherwise altered. Damaged or misprinted personalized books may be exchanged for a non-personalized book. All exchanges must occur by **Tuesday, May 22** because the extra overprint copies will go sale on Wednesday, May 23 and when those yearbooks are sold out, they are gone for good. Jostens cannot publish extra one-off copies.
